# 1:1 SOCIAL MEDIA & BUSINESS MENTORSHIP

---

If you're ready to take your business seriously — but you're tired of generic advice and content that goes nowhere — this is your sign to get strategic support tailored to you.

This isn't just social media tips and “post more” advice. This is mentorship that combines real strategy with practical steps to help you show up as the expert you are — and create content, offers, and income that reflect it.

Whether you're launching a new service, building digital offers, or trying to juggle business with life (hello, mum mode), I'm here to help you find clarity and momentum — without the hustle.

# MEET YOUR MENTOR

## *BEAU YEUNG*

### **Award-Winning Business Strategist & Social Media Manager**

I'm Beau — a strategist, content expert, and mentor for ambitious business owners who are ready to grow with purpose.

With years of experience helping entrepreneurs build aligned offers, standout content, and real momentum, I'm here to give you the structure, strategy, and support you need to grow a business that actually works for you.

This isn't about chasing trends — it's about building something sustainable, profitable, and completely your own.

# WHAT YOU CAN EXPECT

- **Bespoke support for your business goals**
- **Clear action plans, not just theory**
- **Guidance on growth, content, strategy, and mindset**
- **A mentor who gets what it's like to wear all the hats**

From content strategy and passive income to brand confidence and selling in the DMs — we cover what matters to you.

# WHO IT'S FOR

## This mentorship is perfect for:

- Creative service providers
- Digital product creators
- Stylists, social media managers, and founders
- Mums in business ready to grow sustainably

## Anyone who's done playing small!

## 100% Bespoke. Always Aligned.

This isn't a cookie-cutter programme or a recycled strategy template. Every session, plan, and piece of advice is completely tailored to you – **your business, your goals, your pace.**

Whether you're just starting out and don't know where to begin, or you're already established but feeling lost or stuck, this mentorship meets you where you are – and helps you move forward with clarity and confidence.

Because real growth doesn't come from following someone else's path. It comes from building your own – **with the right support behind you.**
